## Scientist Turned Entrepreneur Experiences and Lessons-learned

03 March 2021 | 16 to 17 (CET) | Online Webinar

### Prof. Dr. Craig Garner

**Craig** is a seasoned scientists who has worked in the US, Switzerland and Germany. Besides his accomplishments in basic research in the field of neurobiology he has co-founded three biotech companies.

In this **SPARK Europe Innovator Café**, Craig will share his personal experience as a scientist turned entrepreneur and give insights on valuable lessons learned, pitfalls he met along the way and how his entrepreneurial endeavors influence his scientific research.

With his first translational ambitions, he entered the SPARK program as a SPARKEE at Stanford University and later established the program at the Charité in Berlin.

**Online via GoToMeeting | Please register [here](#).**
