

NeuroCure Innovation – Call for Proposals

Do you have an innovative idea?

OR

Do you want to learn about a tool to translate your research into real applicable solutions?

NeuroCure Innovation is a program that will help you to explore and develop your innovative ideas by using the method of Design Thinking!

In a one-day sprint, we bring your idea to the next level and we even the path for the future hunt for partners and investors.

This represents a great preparation for the upcoming NeuroCure/SPARK call 2022!

Friday April 29th, 2022 (5 pm – 7pm) @Zirkus 1 (Bertholt-Brecht-Platz-3):

Pitch your idea/ vote for the best ideas to be further developed

Saturday April 30th, 2022 (9am – 5pm) @Zirkus 1 (Bertholt-Brecht-Platz-3):

One-day Innovation Sprint: Develop your idea in small teams and guided by a Design Thinking Expert

Friday May 6th, 2022 (5 pm - 7pm) @ Online:

Celebration event with final pitches and the chance to inspire future partners

Register [HERE](#) with your wild and crazy ideas (**until April 8th, 2022**) describing:

- What problem you are trying to solve (medical need)?
- How do you want to solve this problem?
- Who is the target audience?

Don't wait too long – the places are limited!

If you have any questions, please don't hesitate to contact us!
